TECHNICAL EXPERIENCE

Projects

- **Built a portfolio website** : using HTML & CSS.
Github link: <https://github.com/akshatnitd/akshatnitd.github.io>
- **Flight Schedule** : A python script for getting flight details between two airports on a specified date using web scraping.
Github link: https://github.com/akshatnitd/Flight_Schedule
- **IMDB Portal** : A simple python utility script which assists in getting movies information and ratings. Three features of the script are:
 - Get movie information by title
 - Find top rated movies
 - Rename the directories which contain the movies by appending IMDB rating and year of release to it.
